Olá Nandocas!

No more Janworry!

Siya Saver is our saving initiative that encourages our Nandocas to save and avoid those JanWorry blues!

For those **who have participated this year**, please note that **payments will be made** during the **first week of January 2027!**

A few important things to remember:

- If you would like to start participating, please can you ask your Patrão to assist you with completing the application form and sending it back to payrolladmin@nandos.com
- For Restaurant Support Nandocas you can find the forms on PERi-Vine under the following link:

To access PERi-Vine click here

- If you are already participating in **Siya Saver** and would like to continue next year, you do not need to sign up again – you will automatically be carried over to the new year.
- When carried over, you will automatically save the same amount as the last year, unless you change it. Please ensure that you change your amount by the 20th of December 2026 by emailing payrolladmin@nandos.com with the new amount to which you would like to change your savings.
